# INAUGURATION OF THE MOORISH ORTHODOX CHURCH WISCONSIN PRO-CATHEDRA AND ASHRAM

August 11, 1993 — Perseid Meteor Shower said to be the best for 150 years, witnessed by a Dreamtime Group from the Hill behind Beaver House, meteorites covered the whole sky with gold red blue green explosive ice, leaving luminous trails across 20%-30% arc, almost audibly.

Important discoveries regarding psychedelic cultures in Wisconsin approx. 1000 AD: — visit to the Gottschall Cave in Iowa Co., pictograph of a shaman smoking a long pipe & envisioning the Winnebago Epic of "Red Horn"; — also the Twin Bluffs petroglyph of a magic mushroom. Calamus, lobelia, wormwood, hemp, motherwort, wild lettuce, moonflower, amanita, roadkill toadskin.....

On these auguries the Moorish Orthodox Church in-augurates the WISCONSIN PRO-CATHEDRA & ASHRAM, which shares quarters at the Dreamtime Hotel with the Bender Hollow Phalanx and "G" School Association (Wisconsin Fourier Society). (We hope to develop the "G" School into the Moorish Cathedral & Phalanstery, according to our synthesis of the teachings of Noble Drew Ali [peace be upon him] and Charles Fourier.)

The Moorish Orthodox Church was founded in the 1950s as an offshoot of the Moorish Science Temple of America, which in turn was founded in 1913 in Newark NJ by the Prophet Noble Drew Ali, who was martyred by police in Chicago 1929. The Moorish Science Temple has been called the first "Black Islamic" sect in America (although it had a multiracial membership). The Moorish Orthodox Church is dedicated to an esoteric or Sufi-istic interpretation of Noble Drew Ali's teachings in the CIRCLE SEVEN KORAN. The Moorish Orthodox Church currently has branches in New York City & UpState NY, Chicago, Seattle, San Francisco, Ukiah (CA), Bombay (India), etc.

With this document we hereby establish the METROPOLITANATE OF THE DRIFTLESS REGION, which will administer the Wisconsin Pro-Cathedra & Ashram, and coordinate efforts to establish a full Cathedral at the old one-room schoolhouse on County "G" near Viola Wisc., which has been designated for that purpose (as well as the establishment of a Fourierist Phalanstery) by Dreamtime Village.

In the name of the Seven Eyes of Allah, the Seventh Level Adept Chamber of the Holy Moorish Orthodox Church, with the participation of the Manhattan & Seattle Lodges, reverend ministers of the Universal Life Church, members of the Wisconsin Fourier Society, officials of Dreamtime Village, etc., we launch this Pro-Cathedra into the sea of meteors.
